UK Distribution

Our efficient vehicle scheduling and state-of-the-art communication systems ensure that delivery time frames are maintained and levels of service are constantly monitored, ensuring quality service for our customers.

MITA is a member of the Road Haulage Association and all goods carried by us are done so under RHA terms and conditions. MITA is also a member of the British International Freight Association and all goods carried by us are done so under BIFA trading terms and

conditions. MITA Logistics works effectively in various roles, including: Sole Contractor – the exclusive transport contractor, handling all your distribution requirements around the UK.

Preferred Haulier – the lead haulier in a traditional ‘black box’ or ‘control tower’ consortium, working on a volume, traffic flow, network or geographical basis. Team Haulier – one of a number of hauliers contracted to provide transport service either in a consortium or customer-managed system.

Global Freight

MITA Logistics has extensive experience of global shipping methods. Our three key services include: European road freight, air freight and sea freight. We deliver first-class freight forwarding logistics for various industries, as we have the resources to meet an assortment of specifications and requirements.

Our global sea freight services ensure that your consignments are shipped in the most economical and efficient way possible. Our established links with worldwide shipping lines and extensive experience of undertaking global sea freight shipments allow us to confidently offer quality every time.

Warehouse and Storage

With MITA Logistics you can always have peace of mind that your goods are in safe hands. We receive your stock, check it, store it securely and carry out inventory control. Our storage options are flexible and cost-effective, and our professional customer service team are available to assist in every way.

Same-Day Delivery

Our customers receive what they want, when they want it. MITA Logistics can facilitate a Same-Day Delivery service - 7 Days a week, day or night, 365 days a year. Our complete end-to-end 3PL fulfillment solution is everything your business needs to guarantee customer satisfaction. Through working in partnership with you, we provide the highest possible standard of third party logistics delivery.

Using our state-of-the-art order system, enterprises large and small are confident that their supply chain is dependable and strongly linked with their end user.

Palletised Distribution

Cost Effective, Efficient & Reliable

MITA provides a dedicated pallet delivery service through a direct route. This means that your palletised goods are handled significantly less with MITA, which drastically reduces the chances of problems such as damage and loss. To us, service is key, which is why you can be assured that your goods will be safe, secure and on time.

A Bespoke Service

At MITA, we take the time to understand our customers' needs, hence why we have introduced a range of delivery services to suit our customers. At MITA you can be assured of excellent delivery performance with high customer service standards. We provide a quality service with consistent performance levels of more than 99% and at the right price.
